In memoria.

All'inizio di febbraio del 2006 è deceduto Jean-Philippe Maitre, un uomo eccezionale che per cinque anni ha fatto parte del nostro Comitato. Ha partecipato alle riunioni fino all'ultimo, contribuendo ai dibattiti con pareri chiari e convincenti. Jean-Philippe Maitre si è impegnato attivamente a favore di Svizzera Turismo e del turismo svizzero in generale.

Non perdiamo solo un compagno di lotta lungimirante, ma anche una grande personalità.

Jean-Philippe Maitre rimarrà sempre nei nostri pensieri.

Rapporto dell'Ufficio di revisione.

Rapporto dell'Ufficio di revisione all'Assemblea dei membri di Svizzera Turismo, Zurigo.

In qualità di Ufficio di revisione abbiamo verificato la contabilità ed il conto annuale (bilancio, conto economico e allegato) di Svizzera Turismo per l'esercizio chiuso al 31 dicembre 2005.

Il Comitato è responsabile dell'allestimento del conto annuale, mentre il nostro compito consiste nella sua verifica e nell'espressione di un giudizio in merito. Confermiamo di adempiere i requisiti relativi all'abilitazione professionale e all'indipendenza.

La nostra verifica si basa sulla verifica completa effettuata da PricewaterhouseCoopers SA e sul loro rapporto di revisione, indirizzato all'Ufficio di revisione.

PricewaterhouseCoopers SA ha effettuato la sua verifica conformemente ai principi di revisione svizzeri, i quali richiedono che la stessa venga pianificata ed effettuata in maniera tale che anomalie significative nel conto annuale possano essere identificate con un grado di sicurezza accettabile. Ha verificato le posizioni e le informazioni del conto annuale mediante procedure analitiche e di verifica a campione. Ha inoltre giudicato l'applicazione dei principi contabili determinanti, le decisioni significative in materia di valutazione, nonché la presentazione del conto annuale nel suo complesso. E' dell'avviso che la sua verifica costituisca una base sufficiente per la sua opinione.

A nostro giudizio la contabilità e il conto annuale sono conformi alle disposizioni legali svizzere, e statutarie, nonché ai principi contabili riportati nell'allegato.

Raccomandiamo di approvare il conto annuale a Voi sottoposto.

Tribute.

Jean-Philippe Maitre passed away at the beginning of February 2006. He was an imposing personality who served on our board for five years. Jean-Philippe Maitre attended the meetings to the last always impressing his colleagues with his clear and convincing analysis. He took his duties seriously and worked actively putting the interests of Switzerland Tourism and Swiss tourism always in the foreground. We have lost not only a clear-sighted campaigner, but also an extraordinary personality. We will never forget him.

Income and expenditure arising from marketing

The marketing account plan has been adapted to the new requirements. The income and expenditure from the previous year, however, could not be allocated to the new accounts and is therefore shown as a single amount.

Income arising from operating costs charged to third parties

This was shown as a separate item under “Income” last year. The amounts are now listed in “Expenses” as a reduction in expenses under “Personnel expenses charged to third parties” and “Operating expenses charged to third parties”.

Financial income/expenses

Exchange rate gains and losses were netted against each other for the first time this year and shown as a single amount under income or expenses accordingly.

Report of the Statutory Auditors.

Report of the statutory auditors to the Members' Meeting of Switzerland Tourism, Zurich.

As auditors, we have audited the accounting records and the financial statements (balance sheet, income statement and notes) of Switzerland Tourism for the year ended 31 December 2005.

These financial statements are the responsibility of the Board of Directors. Our responsibility is to express an opinion on these financial statements based on our audit. We confirm that we meet the legal requirements concerning professional qualification and independence.

Our assessment is based on the comprehensive audit carried out by PricewaterhouseCoopers AG and their report as delivered to the auditors.

Their audit was conducted in accordance with Swiss Auditing Standards, which require that an audit be planned and performed to obtain reasonable assurance about whether the financial statements are free from material misstatement. They have examined on a test basis evidence supporting the amounts and disclosures in the financial statements. They have also assessed the accounting principles used, significant estimates made and the overall financial statement presentation. They believe that their audit provides a reasonable basis for their opinion.

In our opinion, the accounting records and financial statements comply with Swiss law, the statutes and the accounting principles described in the notes.

We recommend that the financial statements submitted to you be approved.
