Schappe-Spun Orlon

Orlon* yarns spun like waste silk attain a high degree of perfection. Articles of Schappe-Spun Orlon* are of unrivalled utility, soft and full to the touch.

Sweaters, jackets, dresses, slips and swim-suits of Schappe-Spun Orlon* have become immediately popular wherever they were put on the market.

This success has led the Schappe Spinning Mills** to increase production in the Orlon* sector, so that every demand can now be satisfied.

To protect articles of Schappe-Spun Orlon* the Trade Mark SISAF has now been adopted. Labels and instructions for washing are sent free of charge.

All information and sources of supply obtainable from the Advertising Centre:

SISAF Publicity Office, Basle 2 (Switzerland)
and Lyon-Grolée (France).

News for the Dyer

Novalon[®] Fast Dyestuffs

J. R. Geigy S.A., Basle

Novalon Fast Dyestuffs make possible the dyeing of polyamide fibre fabrics of filament or crimped yarn, without undesirable warp stripes. In fastness to light, wet treatments and heat setting they are superior to the disperse dyes in normal use. For the dyeing of fashion shades on hose Novalon Fast Brown GB, Novalon Fast Brown R and Novalon Fast Grey RB are particularly recommended.

Dyeing method: The dyestuff is brought into suspension by pasting with 50 times its weight of cold, soft water. Dyeing is carried out in a neutral or weakly alkaline bath with the addition of

1 -2 g/l Eriopon AC or soap
0.1-0.2 g/l trisodium phosphate

The goods are entered at 30°C. and run at this temperature for 10 minutes. The temperature is then raised gradually to the boil and maintained there for 45 minutes, after which the goods are rinsed.

Fastness properties of the range are as follows:

For more detailed information, see our Circular 1285.

FABRICANTS ET EXPORTATEURS

Schappe-Spun Nylon

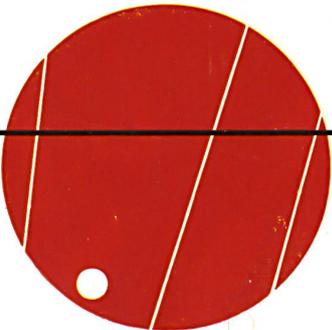

the fabric that looks like cotton or silk but has every «synthetic» advantage, is now obtainable in many varieties - plain, coloured, striped, and patterned.

Men's shirts, ladies' blouses, sheets and pillow-cases of Schappe-Spun Nylon have become very successful on the whole European market within a short time. The public values and asks for them. The first models of ladies' and children's dresses, of underwear, overalls, etc., in Spun Nylon are now ready.

The launching of Spun Nylon is facilitated by our intensive advertising campaigns. The quality product (Trade Mark SISAF) is publicized among the public and in the textile branch. Labels and instructions for washing are sent free of charge.
