## On the Sunny Side of Our Mail

If you run an airline that serves five continents—if every four minutes one of your planes takes off somewhere in the world—if you attend to many thousands of guests a year—you are bound to have some complaints in your mail. So do we, at times. Reason to be discouraged, or even angry? Never! We contact our guest, apologize, then trace the cause for criticism. We do everything possible to make sure that the mistake cannot occur again. We realize there's no end to refining our service.

You know that disappointment is brought to paper much sooner

than satisfaction. Imagine the sunshine that came with the 3364 complimentary letters we received last year!

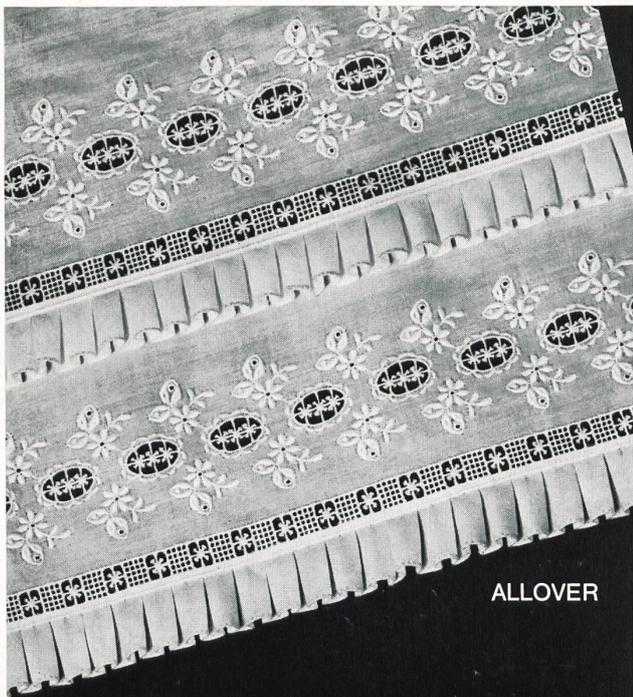

3364 people thought it worthwhile to thank us for the service we are giving. On the ground and aboard. They considered it perfect. Efficient. Friendlier and more personal. *Heartwarming*. They told us that ours is the right way, the way to please. Isn't this sunny mail another reason to choose Swissair for your next trip, too? Welcome aboard!
