EMPHASIS ON TABLE~LINEN IN THE PRODUCTION RANGE

SCHEITLIN WORB AG
WORB

While in private homes coloured table-linen is becoming increasingly popular, in the catering business — hotels, boarding houses and restaurants — white is still the usual choice for tablecloths although for some time now coloured articles have been used during the day. Scheitlin Worb Ltd., the well-known and go-ahead linen mills at Worb, have therefore adapted their collection to current needs. Their main speciality is table-linen of all kinds in pure linen, half-linen, cotton and synthetics, in the form of damasks, colour-wovens and plain structured fabrics in quiet but full-toned shades. A highly competent making-up department sees to it that the clients' every wish from the point of view of size and shape — up to 240 cm wide — is answered.

The firm's attention to detail is evident in the decorative border trimmings of bobbin lace for tablecloths and table-mats, with self-toned or contrasting ribbon inserts. The pure linen table-sets come not only in the usual rectangular style but also oval and in the form of sectors for round tables. The "Switzerland" serviettes matching the tablecloths are available in over 40 colours from stock.

The firm makes a point of holding in stock every current size and colour of table-linen for immediate supply to the retail trade. Special orders can be executed at short notice. Great importance is also attached to eye-catching presentation of the articles. The collection also naturally includes a wide range of colour-woven kitchen-cloths with original dobby-loom and jacquard designs. For hotels there is a specially made collection of towelling and bedlinen specifically aimed at this group, with woven names and crests — another speciality of the firm — also for the table- and kitchen-linen.

È integrato nella collezione pure un ricco assortimento di biancheria da cucina multicolore, con originali disegni di liscio e jacquard. Per gli alberghi è disponibile una collezione specifica di tessuti a spugna e da letto; da ricordare che la ditta è specializzata nell'inclusione del nome o della sigla, anche per quanto riguarda la biancheria da tavola e da cucina.
