FEDERAL.

JUBILEE OF FEDERAL COUNCILLOR EDMUND SCHULTHESS.

On the 17th of this month twenty years ago, M. Edmund Schulthess (Aargau) was elected by the two Chambers a member of the Federal Council, and he is the second Federal Councillor in office, who has twenty years of service to his credit.

In 1931, M. G. Motta, President of the Swiss Confederation, celebrated his 20th anniversary as a member of the Government. There are few Federal Councillors who have been in harness for Federal Councillors who have been in harness for twenty or more years, the exceptions being : Naeff (St. Gall), Knüsel (Lucerne), Schenk (Berne), Müller (Berne), and Deucher (Thurgau). The latter was in fact, the predecessor of M. Schult-hess. During his long term of office, he has been, without interruption, at the head of the "Volks-wirtschafts Dept."; and has in this capacity rendered great and valuable services to our country, a fearless and clean fighter, he has un-tringly worked for the welfare of Switzerland, in face of heavy odds, especially during the great war period, and we unite ourselves with our native press in wishing him ad multos annos! The Federal Council, has sent to M. Schult-

The Federal Council, has sent to M. Schult-hess, who is at present on leave, the following telegram :

Morgen vollenden sich zwanzig Jahre seit Ihrer Wahl in den Bundesrat. Ihre Kollegen entbieten Ihnen bei diesem denkwürdigen Anlasse entbieten Ihnen bei diesem denkvurdigen Anlasse die herstlichsten Glückswünsche. Sie haben in den schwierigsten Zeiten mit beispielloser Hinge-bung und Arbeitskraft dem Vaterlande gedient und dienen ihm weiter. Wir sind wohl die Dolmetscher für die Volksgefühle, wenn wir Ihnen für Ihr, in der Geschichte der Schweiz auf immer eingeprägtes Lebenswerk den tiefstempfundenen Dank aussprechen. Ich füge den Ausdruck meines persönlichen Dankes hinzu, und versichere Sie meiner höchsten kolleaiden Verehrung und Sie meiner höchsten kollegialen Verehrung und meiner unwandelbaren freundschaftlichen Treue. Gez: Motta, Bundespräsident.

WORLD'S HIGHEST TELEPHONE.

The highest telephone installation in the world, it is claimed, has been opened at a point near St. Moritz, 9,680 feet above sea level. This is at the Diavolezza Hut, one of the Swiss Alpine climbers' huts. The telephone connects this lonely spot with Pontresina, and, in the event of climbing accidents, should be of great value in directing rescue work.

The Diavolezza Hut is built close to the " She Devil " glacier in the Bernina range. It is much used as a starting point for big climbs and ski tours in the Bernina Alps.

GLACIER MOVEMENTS IN SWITZERLAND. The observations made during the season 1930-31 on the Swiss glaciers show that snow was 1930-31 on the Swiss glaciers show that snow was more abundant and persistent than usual, owing to the prolonged winter and to the cold and wet summer, which prevented the snow from melting. The consequence was that the glaciers generally increased in volume and in length, though the progress is very small on many of them. Bad weather during the summer months made it nossible only to study and measure 92 glaciers

it possible only to study and measure 92 glaciers out of 100, and it was ascertained that in 1931, 20 were advancing (against six in 1930), 12 were stationary (12 in 1930), and 60 were retreating ince in 1000. (66 in 1930). Among the glaciers which advanced, the Thäli

Among the glaciers which advanced, the Thäli glacier, in the Binn valley, advanced 69ft., and the Rossboden glacier 60ft. On the other hand, the Rossen and Morteratsch glaciers retreated 36ft., the Upper Grindelwald glacier 57ft., the Rosenlaui glacier 54ft., the Paneyrosse glacier 99ft., the Rhône glacier 48ft., and the Findelen glacier, near Zermatt, 75ft.

FLYING ROUND THE ALPS.
